October 25, 2022

Dr. Brass Families,

Hot Lunch: We are moving to a paid format for our hot lunches. This will begin in November 1, 2022. Meals can still be bought in bulk per month. The donation-based program has ended and will be replaced with a user pay program. This is due to rising food costs and large student numbers at DRB. Plus, our hot lunch is so delicious everyone wants to have one! **There will still be opportunity for a limited number of donated hot lunch for those that need one. Please see the attached sheet and send back to school.**

\$5.00 for Larger Portions (Grade 5 to 8)

\$3.00 for Smaller Portions (Grade K to 4)

Snacks-If you buy your hot lunch snacks will not be provided. Please provide your children with a snack.

Soup Haven Bagged Lunch Program- We will need to have an accurate account every day for the Soup Haven so we are requiring students who need a bagged lunch to sign up to opt into the bagged lunch program. This program is supported by the Soup Haven to provides food security for families in need. If you would like to opt into this program, please fill out the following forms and **return to your teacher by October 28th**. After this date, bagged lunch will only be available for those who have signed up.

Donations of any kind are always welcome to help support this important initiative at Dr. Brass. Donations over \$25.00 can receive a tax receipt upon request.

Hot Lunch Grant Program

Hot Lunch: With the change to a pay for hot meals system, there will be an opportunity for provided hot lunches for those students that would like to have one but are not able to purchase one.

If you have already completed this form and returned it to the school please do not submit again.

Thank you.
